FOR IMMEDIATE RELEASE

Date: 26 October 2013

Sub: Scam alert

Today MPD received numerous reports of individuals and businesses receiving suspicious calls from a person identifying himself as a representative of Green Mountain Power. In each case, the male caller told the recipients of the calls that they had overdue account balances and if they did not pay immediately, their electrical service would be discontinued.

Investigation has revealed that none of these calls were made by Green Mountain Power and residents are urged to use extreme caution if they receive calls such as these. When in doubt, never give out any personal information over the telephone and do not send any money until you verify the legitimacy of the charge.
